## Retirement Annuity Options

Please select an annuity option for your monthly benefits: **(please check only one)**

- Option 1 Straight Life Annuity** – This annuity option pays the maximum benefit payable to you each month for your lifetime based on your accrued benefits. All annuity benefits will cease upon your death. Any remaining balance of your accumulated contributions and interest will be paid to the surviving beneficiary in a lump sum. **Note:** If you have been married for less than one (1) year on your effective date of retirement, then certain rules will let you change your Straight Life Annuity to an Option A or Option B benefit after being married for one (1) full year. Contact ATRS for additional information.

- Option A – 100% Survivor Annuity** – This annuity option pays a reduced benefit to you each month for life and continues to pay 100% of your monthly benefit to your eligible Option A beneficiary for his or her lifetime after your death.

Eligible Option A beneficiaries are your spouse if you have been married for at least 1 year prior to your effective date of retirement; and/or your dependent child, regardless of age, who has been declared mentally or physically incapacitated by a Court. If you have an incapacitated child, please contact our office.

**Acknowledgment of Termination Requirements**  
*(not applicable for members who have reached normal retirement age)*

*Normal Retirement Age* is defined as the age of 65 OR if the member is at least the age of 60 and the member's age and combined years of credited service total 98 or more. A member *must* terminate employment unless they meet the *Normal Retirement Age*. If you have not met the Normal Retirement age, you may not return to work for an ATRS covered employer for four (4) months from your effective date of benefits.

Federal and state laws require termination and a termination separation period for all members who have not reached *Normal Retirement Age*. If you have not reached *Normal Retirement Age* and fail to terminate employment by your effective date of retirement, become employed by an ATRS covered employer within the required separation period, or even have an agreement to return to work before or during your retirement separation period is complete, then you are not eligible to retire.

I state my understanding that during my termination separation period, I must sever and end all employer-employee relationships at all ATRS covered employers and my understanding that all the following apply:

- I cannot form any employment relationship with any ATRS covered employer;
- I cannot render any service for pay to or on behalf of any ATRS covered employer, with or without a contract
- I cannot work for pay even for one day;**
- I understand that I cannot work either full or part time for any ATRS covered employer;
- I cannot exercise any authority to act as a representative of any ATRS covered employer;
- I cannot form any express or implied employment agreements, or take any action to or entitle any ATRS covered employer to my services until after my separation period has ended;
- I cannot provide volunteer activities for any ATRS covered employer that will have the effect of holding a position open for me (I can volunteer at an ATRS employer if it does not help hold a position open);
- I cannot have reached an agreement either before or during the termination period to work at an ATRS employer after the termination period;
- I understand that ATRS employers to which the termination separation period applies include all Arkansas public schools, educationally related state agencies, and **some colleges, universities and post-secondary institutions;**
- I understand that working for pay even for one day or **just for one hour** as a substitute or any other school employee is a violation of the termination separation period;
- I understand if I violate my termination requirements or my termination separation period, my retirement and benefits will be canceled, and I will be responsible for repaying all benefits back to ATRS;
- I understand that the termination and termination separation period are **strictly enforced** and unintentional violations still require total correction; and
- I verify that I will comply with the termination/separation requirements for retirement. I further verify that I have no express or implied agreement to be rehired or otherwise become employed by any ATRS covered employer as of the effective date of my retirement;

- I understand my separation period begins on my effective date of retirement, which is always the 1<sup>st</sup> day of the month in which my benefits begin.  
**My separation period does not begin on the last day I worked for an ATRS covered employer.**
- I understand that if I am uncertain or have questions, I can call or contact ATRS and get clarification;
- I have read this Acknowledgment of Termination Requirements for and agree to comply with all requirements of the termination and termination separation period that apply to me.

**Verification**

I \_\_\_\_\_ (name of Retiree) swear or affirm that my statements contained in the above and forgoing Acknowledgment of Termination Requirements are true and correct to the best of my knowledge, information and belief.
