Senator Blake Johnson	Senator Uvalde Lindsey
Senator Eddie Cheatham	Senator Keith Ingram
Senator David Burnett	Representative Lanny Fite
Senator Jason Rapert	Representative Monte Hodges

This summary provides a brief title and explains the potential impact of all 7 bills in the package and any other bills that impact ATRS. (Shell bills may be filed on behalf of ATRS to act as place holders in the event action is needed beyond the current legislative package.) ## IMPACT AND ANALYSIS OF ATRS PACKAGE BILLS AFFECTING ATRS, MEMBERS, AND EMPLOYERS

**Bill#**                      **Sponsor:** Senator Blake Johnson  
**SB38**                        **Compliance with Law Allowing Direct Rollover**

**Emergency Clause:** Effective 07/01/2015

**Explanation:** Non-Spousal Rollover Provisions—This bill makes ATRS law comply with IRS tax code provisions that allow a beneficiary that is not the spouse of a member to be eligible for certain rollovers like those made by ATRS. This law change needs to be made to ensure ATRS remains compliant with newer IRS regulations that expand the group of family members eligible for a rollover of an ATRS residual balance.

**Bill#**            **Sponsor: Senator Bill Sample**  
**SB48**            **Disability Retirement Benefits**

**Emergency Clause: Effective 07/01/2015**

**Explanation:** Disability Retirement—This bill is to allow members to retire on ATRS disability as they currently do, but would add requirements for continued eligibility after three years of disability retirement for those still under age 60. Essentially, ATRS disability retirees under age 60 will be required to obtain Social Security Disability status within three (3) years of being approved for ATRS disability unless an extension is granted for good cause. This change is designed to allow a quick disability decision and at the same time provide more meaningful oversight after disability retirement is approved.

**Bill#**                      **Sponsor:** Senator Uvalde Lindsey  
**SB75**                      How Private School Service is recorded for purpose of retirement benefits.

**Emergency Clause: Effective Immediately Upon Passage**

**Explanation:** Private School Service— This bill allows ATRS to make the determination of eligibility to purchase certified teaching service credit, instead of the Department of Education due to responsibility changes at the Department of Education. The Department of Education no longer has staff responsibility to certify private school teachers, so a request was made to shift certification responsibility to ATRS. ATRS already certifies all other types of service and this will bring uniformity to the process.

**Bill#**            **Sponsor:** Senator Jason Rapert  
**SB137**            Member Annuities are paid as a lifetime benefit by repealing lump-sum payments of reserve value of small annuities in the Arkansas Teacher Retirement System.

Emergency Clause: Effective 07/01/2015

**Explanation:** Lump-Sum Payments of Reserve Value of Small Annuities--- This bill repeals the law that allows a reserve payout of benefits of less than \$20 per month. Most members and ATRS now prefer to pay the member a lifetime benefit, even on smaller annuity amounts since usually the smaller annuity amounts usually are associated with the member also receiving a lifetime benefit from another retirement system, such as APERS at the same time.

**Bill#**            **Sponsor:** Representative Gary Deffenbaugh  
**HB1078**            Option C Benefit

Emergency Clause: Effective Immediately Upon Passage

**Explanation:** Option C Clarification— This bill is to allow members who retire with an Option C

benefit election (guaranteed 120 monthly benefit payments even if the member dies) to change beneficiaries after retirement if the option beneficiary is a spouse and the marriage ends in divorce or other marriage dissolution before the 120 months have passed. This brings Option C in line with the other lifetime options available to ATRS members. Under current law, a divorce does not allow a member to remove a new former spouse as the Option C beneficiary.

**Emergency Clause:** Effective Immediately After Passage
